# DISCOVER ALASKA...Norwegian JADE Cruise Ship

Sunday, July 13 – Tuesday, July 22, 2025

This Alaska adventure begins in **Vancouver, British Columbia, Canada** with its North Shore Mountains and the rich, blue waters of the Pacific Ocean. We will explore Vancouver together before we board the beautiful **Norwegian Jade Cruise Ship** for an unforgettable 7-Night cruise into The Last Frontier. Get ready for amazing views and wildlife like nowhere else as you sail through the islands of **Alaska's Inside Passage**. **Ketchikan** is surrounded by some of the world's most lush wilderness thanks to its abundant rainfall. Its Tlingit Indian name, Kach Khanna, means "spread wings of the eagle." Chances are you'll see one of these magnificent birds perched atop a tree during your visit to Ketchikan. **Juneau** has been called "Alaska's peak experience," certainly due in part to its unparalleled glacier viewing. The majestic Mendenhall Glacier lies only 12 miles outside Juneau. Step back in time to **Skagway**. In a single year from 1896 to 1897, this remote town along the Inside Passage grew from a few tents to a city of 20,000 gold seekers. Today, travelers come in search of other riches – to experience yesteryear along Skagway's charming boardwalk lined with buildings that replicate those Gold Rush days. Venture into **Icy Strait Point** "where the north wind doesn't blow." Known for this famous saying, Icy Strait Point is the ideal landing spot for getting to where the wild things are. It's one of the few places in the world where wildlife outnumbers the human population and there are many optional excursions that will help you enjoy the awe-inspiring scenery and the abundant wildlife. The **Hubbard Glacier** is the largest tidewater glacier in North America. Its turquoise-colored face towers nearly 400 feet tall — 250 feet of which are underwater — while its icebergs are often three or four stories high. At nearly six miles wide where the ice meets the ocean and 76 miles long, viewing this massive glacial mass from the cruise ship is an experience not soon forgotten! As you cruise near the glacier, keep an eye out for the region's rich variety of wildlife, from bald eagles to harbor seals, orcas and humpback whales. Although situated only approximately 60 miles from Anchorage, **Whittier** feels a world away. The cruise ends in this small, secluded town that is nestled between soaring mountain peaks and the Passage Canal at Prince William Sound. Depart Whittier by Motorcoach through its one-way tunnel and drive past several "hanging" glaciers gracing the encircling mountains. We will stop for a view of Portage Glacier before making our way to the Seward Highway as it hugs the dramatic shorelines of Turnagain Arm, arguably one of the most beautiful stretches of highway in America! Visit the Alaska Native Heritage Center in Anchorage, highlights include Native dance and Artisan demonstrations. Enjoy a wide variety of optional shore excursions available, such as the White Pass Railway in Skagway, and Wildlife Viewing in Icy Strait Point. We know the destinations you will be visiting, so we can suggest optional excursions and the best places to explore on your own. Enjoy the many amenities and entertainment options on the cruise ship, especially the many wonderful dining options. We look forward to sharing this trip of a lifetime with you as we DISCOVER ALASKA!
